## Did you know?

Staff at Mary Welsh hand out an average of 86 tickets per week! Wow!

## How can you be involved?

If you would like to volunteer your time to help out with PBIS reward activities, please let your child's classroom teacher know or email [jessicawoods@williamsburg.k12.va.us](mailto:jessicawoods@williamsburg.k12.va.us) with your interest.

## Raider Rockstar Assembly

Each month a student from each classroom is recognized at an end of the month assembly, as a student who has demonstrated outstanding behavior by being respectful, responsible, and safe for a specific area of the building.

September's focus area is the classroom. Nominations were made by the classroom teacher this month for students that followed the Raider Way in the classroom. Other areas that nominations will be made for include: recess, bathrooms, specials classes, hallway, and the lunchroom.

October's focus area will be the hallway. Remind your child to be responsible by walking on the right side of the hallway, to be respectful by having a level zero voice in the hallway, and to be safe by walking in a single

file line and keeping hands and feet to themselves in the hallway.

## Golden Ticket Winners

Each week teachers draw a single ticket from a collection of tickets in their classroom that students have received for demonstrating the Raider Way in the building. Any student who receives a ticket during the week writes their name on it. The student's name that is drawn has the opportunity to participate in the weekly PBIS activity. A list of winners is on the back side of this newsletter.

September's fun activities included donuts with the principals, extra recess,

window decorating, and sidewalk chalk. You can find the weekly pictures for the current month on the Williamsburg website:
