

We need you...

When schools were shut down for the year, we ALL lost the chance to get closure on our school year, and to feel prepared returning to a new grade. We CAN fix this, but we need your help!

- Please find a rock at home no bigger than the palm of your hand
- Paint your rock however you wish; it should represent you
- If you need supplies, PALS will provide disposable paint kits for families to pick up during lunch at HS, during deliveries, & at packet pick-up on 5/17-5/19
- Use clear nail polish or another clear sealer to weatherproof your rock
- Talk about a wish or a goal you have for the new school year
- When you pick up your belongings at school, leave your rock in the Norma Kelting garden near Mr Jepson's office window while practicing social distance. If you see a friend, please wave and talk later.

THANK YOU FOR HELPING YOUR FRIENDS AND YOUR SCHOOL!
